Re: Freedom of Information Act Request

Dear FOIA Administrator:

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552, I request that all documents relating to the following be provided to me:

1. All correspondence and documents regarding requests(s) to the U.S. Environmental Protection Agency ("EPA") that Bradford Island facility be placed on the CERCLA National Priorities List pursuant to the Comprehensive Environment Response, Compensation, and Liability Act ("CERCLA") and the National Contingency Plan, including but not limited to correspondence with the Confederated Tribes and Bands of the Yakama Nation, the Oregon Department of Environmental Quality, the Oregon Department of Justice, the Washington Department of Ecology, and the U.S. Army Corps of Engineers.

Please provide a copy of the records in their native electronic format on USB or other electronic media. When providing electronic records, please include metadata if reasonably available. In order to help you to determine my status to assess fees, I am an attorney seeking information for use on behalf of my client's business. Please supply the requested records without informing me of the cost if the fees do not exceed \$1,000.00, which I agree to pay as necessary. Otherwise, I ask that you notify me of any search or duplication costs exceeding \$1,000.00, so that I may decide which records I want copied.

If you are not the appropriate contact for this FOIA request, please let me know so that I may direct this request to the appropriate contact. If you deny any part of this request, please cite each specific reason that you believe justifies your refusal to release the

information with respect to each document or category of documents refused. Please also notify me of any appeal procedures available under the law.

If you have questions, please contact me at your convenience. Thank you in advance for providing the requested information.

Sincerely,
